## VISION

At the heart of every child lies creativity. Introducing an art exam starting in kindergarten is more than just an opportunity to evaluate; it's a chance to nurture imagination, build confidence, and foster essential skills that support early childhood development.

The purpose of an art exam at this age is to nurture creativity by giving children the freedom to explore colours, shapes, and materials while encouraging them to think outside the box. It provides a powerful outlet for emotional expression, allowing children to communicate their feelings and experiences in a non-verbal way. Engaging in drawing, colouring, and crafting enhances fine motor skills, laying the groundwork for academic development such as writing and problem-solving. Art also promotes cognitive growth by encouraging critical thinking and decision-making. Exposure to various art styles and cultural traditions builds appreciation and awareness of global perspectives. Most importantly, showcasing their artwork in an exam setting fosters a sense of accomplishment, boosting children's confidence and inspiring continued creative exploration.

Each child's work is evaluated with compassion and encouragement, focusing on growth, effort, and expression rather than technical mastery alone.

### STD. 3

#### **PLEASE READ THE INSTRUCTIONS CAREFULLY AND HELP YOUR STUDENT TO UNDERSTAND.**

We will guide the student but creativity and colouring is the choice of the student.

**We have provided sample drawings only as examples to guide the students. However, we do not expect students to copy these examples. Instead, we encourage them to explore their own ideas and create unique drawings.**

Our exam for STD 3 is based on 2D Design and colours mainly.

Note:

1. Colour with poster colors/oil pastels/colour pencils ( Any make)
2. Make an outline with a black sketch pen only.

#### Criteria for Assessment

1. Creativity
2. Colour combination
3. Shape and form
4. Details of the drawing
5. Finishing of line
6. Neatness
7. Overall impression

Sample papers explain the type of questions asked in the exam.  
A brief introduction on 2D Design is given below.

**2D Design** means making art or pictures that are flat like paper or a computer screen. We use shapes, lines, colors to make something look nice — they only have length and width, like a piece of paper. The "2D" stands for two-dimensional.

1. To create a 2 D design, we use only 2 D shapes. It may be geometrical or decorative shapes.

e. g. circle, triangle, floral, leaf, square etc.

2. We use different types of lines.

e. g. straight lines, curved lines, wavy lines.

3. To color the design, we use different color schemes.

- Primary colour scheme (red, blue, yellow)
- Secondary colour scheme (Orange, Green, purple)

• Opposite/contrast/complementary colour scheme

1. Red x Green

2. Blue x Orange

3. Yellow x Purple

• Warm and Cool Colours

1. Warm colours are colours that remind us of heat and sunshine. These include red, orange, and yellow. They feel bright, happy, and energetic.

2. Cool colours remind us of water, sky, and shade. These include blue, green, and purple. They feel calm, peaceful, and relaxing. Artists use warm and cool colours to show feelings and create different moods in their artwork.

4. Principle of 2 d designs:

- Pattern: Repeating shapes or colours to create a design.
- Overlapping: Placing shapes or lines on top of each other

# SAMPLE PAPER NO. 1

## STD. 3

**TOTAL MARKS : 50**

**SECTION 1**

**TIME: 1 Hour**

**MARKS : 20**

**Time : 30 minutes**

Tick the correct answer.

**1. What does “2D” stand for in 2D design ?** Mark 1

- ☐ Two Dogs
- ☐ Two Directions
- ☐ Two Dimensions
- ☐ Too Dark

**2. Which colour is NOT a secondary colour ?** Mark 1

- |                          |                          |                          |                          |
|--------------------------|--------------------------|--------------------------|--------------------------|
| Orange                   | Purple                   | Green                    | Red                      |
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

**3. Which of the following is a warm colour ?** Mark 1

- |                          |                          |                          |                          |
|--------------------------|--------------------------|--------------------------|--------------------------|
| Blue                     | Green                    | Red                      | Purple                   |
| <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

**4. Shapes and lines are elements of 2D design.** Mark 1

- |                          |                          |
|--------------------------|--------------------------|
| True                     | False                    |
| <input type="checkbox"/> | <input type="checkbox"/> |

**5. A ball is an example of a 2D shape.**

Mark 1

True

☐

False

☐

**6. Opposite colours are also known as \_\_\_\_\_ or \_\_\_\_\_ colours.**

Mark 2

**7. Match the following for the contrast colour**

Mark 3

A	B
red	purple
blue	green
yellow	orange

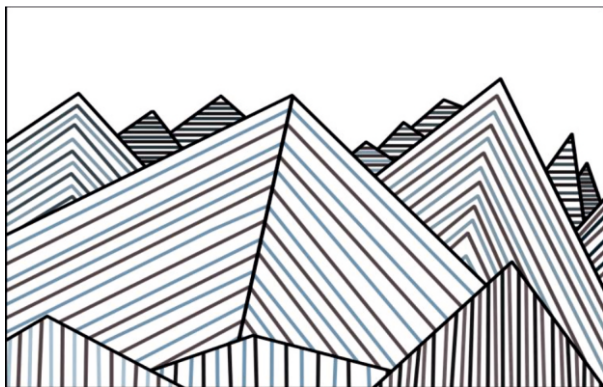

**8. Create any ONE drawing using alphabet A or a and colour using only Primary colours.**

Mark 5

9. Create a nature scene (like hills) using only lines. Add cool colours to make it beautiful !

Mark 5

## Section 2

Marks : 30

Time : 30 mins

Draw a beautiful 2D geometric pattern using **only circles and triangles** on your drawing sheet. (drawing sheet size: A 4)

- You must use **at least 2 circles** and **3 triangles**.
- Add any 2 complementary colours using any medium you like (poster colours, oil pastels, or coloured pencils).
- Outline your final design using a black sketch pen.

## ANSWER KEY -STD. 3

### Sample Paper 1

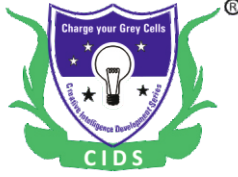

1. Two dimensions
2. Red
3. Red
4. True
5. False
6. Complementary / Contrast
7. Red/Green, yellow/Purple, blue/orange

### Sample Paper 2

1. Orange
2. Pencil drawing on paper
3. Texture
4. True
5. False
6. True
7. Warm colours
8. Red, Blue, yellow

### Sample Paper 3

1. Blue
2. Length & Width
3. Triangle
4. False
5. False
6. Green, Purple
7. Circle/round 2D shape, Texture/show how something looks, Zigzag/type of line.
