PLEASE NOTE :

Congratulations on registering for the National Mathewiz Competition.

1. The online exam can be attempted by the student only by using a Personal Computer / Laptop / Desktop / Smartphone with audio and camera facility.
2. The password for each registered student will be unique and can be used only once by the registered student on the day of the final examination.
3. This booklet consists of exercises which are only for general practice. The exam format will be the same as given in the sample paper however examples will be different.
4. Each student will be given one demo exam and only one final exam.
5. Students should try and attempt the demo exam paper to practice the process and become comfortable with the format.
6. The exams will have Multiple Choice Questions (MCQ). The examiner will read the question to the student through the audio. The student is not expected to be able to read the questions.
7. Please keep rough paper for use.
8. The number of questions and the time limit of each online exam will be as mentioned in the sample papers.
9. The final exam will be locked after the specified time.
10. Image proctoring will be carried out during the examination to uphold the integrity of the exam. Please have a camera facility on your device and grant access to the image proctoring.
11. Final dates for the online exam (mostly February) will be displayed on our website. The log in and password will be communicated via SMS and Email. Options for the date will be given to students and they can sit for the exam ONCE on the date of their choice.
12. Parents / Family Members/ Friends / Teachers should avoid helping the student appearing for the online exam and should arrange for a quiet place to attempt the exams without disturbance.
13. Each registered student will get a certificate and the *rankers will be awarded with a Trophy/medal as per their ranking.

All the very best and continue exploring the world of numbers.
